

# Partition-Mounted Combination Units

**C**ombination toilet paper and seat cover dispensers with sanitary disposals meet barrier-free accessibility guidelines. The toilet dispensers accommodate 5 1/4" (135 mm) diameter, 1800 sheet rolls with theft-resistant spindles included. Partition-mounted units serving two compartments have adjustable flanges accommodating partitions from 1/2" to 3 3/4" thick.

## 5360 Seat Cover & TP Dispenser

For end wall installation. Dispenses two rolls of toilet paper and 1,000 paper toilet seat covers.

**Wall Opening:** 16" x 29 1/4" x 4 1/4" (405 x 745 x 110mm)  
**Suggested Mounting Height:** 30" from bottom of unit to floor;  
Barrier-Free, 15" (760 & 380mm)

Also Available:

### 5360-SM Surface Mounted

Similar to 5360, but with stainless steel collar for surface mounting.

**Suggested Mounting Height:**  
30" from bottom of unit to floor (760mm)

## 5362 Seat Cover & TP Dispenser, Dual Access

Mounts centered through partition. Dispenses four rolls of toilet paper and 1,000 paper toilet seat covers.

**Partition Opening:** 15 1/2" x 28 7/8" (395 x 735mm)  
**Suggested Mounting Height:** 30" from bottom of unit to floor (760mm)

Also Available:

### 5362-HC Dual-Access HC

Similar to 5362, but one side mounts flush to partition of barrier-free side to allow for grab bar. Both sides are usable but serviced from one side.

**Suggested Mounting Height:**  
15" from bottom of unit to floor (380mm)

## 5364 Seat Cover & TP Dispenser with Sanitary Disposal

For end wall installation. Dispenses two rolls of toilet paper and 1,000 paper toilet seat covers.

**Rough Wall Opening:** 16" x 29 1/4" x 4 1/4" (405 x 745 x 110mm)  
**Suggested Mounting Height:** 30" from bottom of unit to floor;  
Barrier-Free, 15" (760 & 380mm)

Also Available:

### 5364-SM Surface Mounted

Similar to 5364, but with stainless steel collar for surface mounting.

**Suggested Mounting Height:**  
30" from bottom of unit to floor (760mm)

## 5366 Seat Cover & TP Dispenser with Sanitary Disposal, Dual Access

Mounts through partition. Both sides are usable but serviced from one side. Dispenses four rolls of toilet paper and 1,000 paper toilet seat covers.

**Partition Opening:** 15 1/2" x 28 7/8" (395 x 735mm)  
**Suggested Mounting Height:** 30" from bottom of unit to floor (760mm)

Also Available:

### 5366-HC Dual-Access HC

Similar to 5366, but one side mounts flush to partition of barrier-free side to allow for grab bar. **Suggested Mounting Height:**  
15" from bottom of unit to floor
