

Angle Bars

These bars are excellent for walls with limited space. Fastener Kits are ordered separately (see page 23).

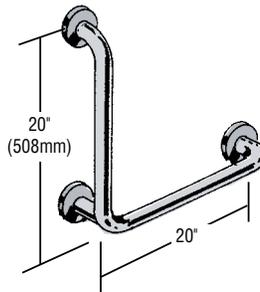

**832
Hockey Stick**

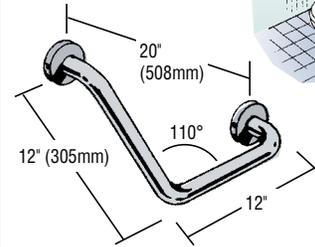

**2245
45° Inclined Bar**

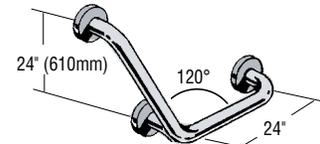

**2020
Combination Grab Bar**

**1220
Boomerang Bar**

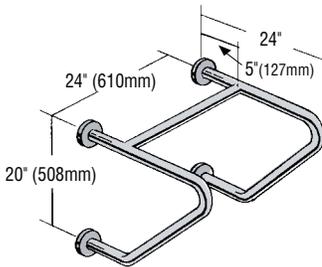

**1220M
Boomerang Bar with Center Support**

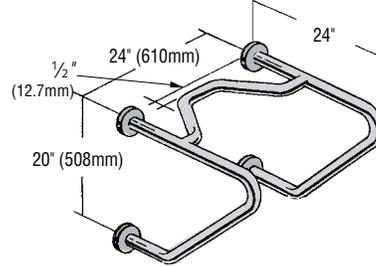

Straddle Bars

Straddle bars provide support on both sides of the toilet. The 2424-S, 2424-SF and 2424-SN are wall mounted for simple maintenance around toilet. Where wheelchair accessibility is desired, width of straddle bars may be ordered at 30" (762mm) (add -30 to model #). The crossbar on the 2424-SN is attached to the parallel bars at the jobsite with epoxy provided by TSM. For removable crossbar with set screws, specify 2424-SNR.

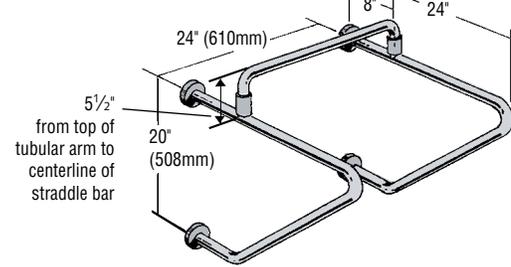

**2424-S
Straddle Bar**

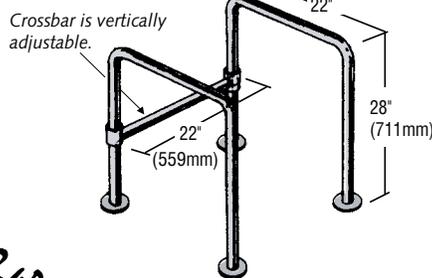

**2424-SF
Straddle Bar for Flush Valve**

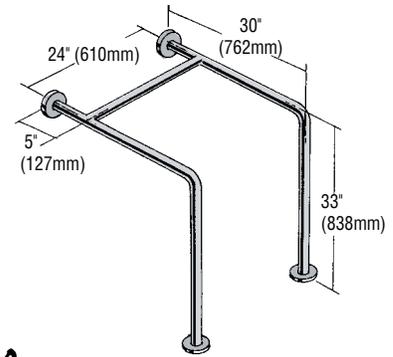

**2424-SN
Straddle Bar for Tank Toilet**

**2228-S
Floor-Mounted Straddle Bar**

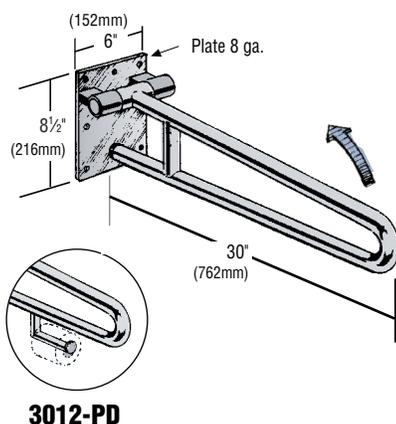

**2430-S
Wall-to-Floor Straddle Bar**

Swingup Bar

**3012
Swingup Bar**

Bar swings up out of the way when not in use and is lowered into position when needed. The bar moves smoothly and easily due to tension in the hinge which also prevents it from free falling. Specify 3012-PD for toilet paper dispenser.

Swingaway Bar

**901
Swingaway Bar**

Bar swings out of way when not in use. A simple lifting motion allows user to lock arm securely in any of three positions 90° apart. To eliminate maintenance and repairs, no springs are used. Specify 901-PD for toilet paper dispenser.
